◎Instructions:

1. Authorities shall fill out the gender budget in accordance with “Principles and Notices of Gender Budgeting”. Documents, such as gender budgeting procedures and the instructions of gender budget system, are available online for download at the gender budget website of Gender Equality Committee of the Executive Yuan.
(<https://gec.ey.gov.tw/Page/D8B706F7DD8453E7>)
2. After completing this form, the authorities shall submit to the Gender Equality Task Forces under competent authorities for review by end of July. The competent authorities will then submit to the Gender Equality Committee of the Executive Yuan upon compilation via gender budget system by 15th September.
3. In the cell, “Name of the programs or work items”, of this form, the competent authority shall fill in the amount of the annual budget (thousand NT dollars), and the proportion (%) of gender budget (including personnel expenses). Please fill out the program name under each authority. For those whose solutions or programs under category 1 that have been through gender impact assessment, please fill in the amount of the annual budget (thousand NT dollars) for the solutions or programs, and the proportion (%) of the gender budget.
4. In the cell, “Estimated annual result of gender equality”, of this form, the competent authority shall fill in the increase and decrease amount, increase and decrease rate (%), and the reasons of the gender budgets of the current year compared with those of the previous year. Under each authority, please make use of gender statistics and quantized data to present the estimated annual result. For those whose solutions or programs have been through gender impact assessment, with a gender goal, please illustrate the gender goal (annual gender goal or annual gender performance indicators), and align it with approved solutions or programs; if any estimated annual result of gender equality other than gender goals has been achieved, please also fill it in in this column. Furthermore, in order to clarify the work items and budgets of the solutions or programs associated with gender, please provide the work items within the solutions or programs that could facilitate the goals or effects of gender equality, and the calculation of gender budget amount (such as estimation criteria and methods).
5. Authorities shall conduct budgeting in accordance with The Central and Local Government FYxxxx Budget Preparing Principles, and incorporate gender perspectives into the process of budget preparation. Moreover, they shall pay attention to major policies and relevant laws of gender equality, and in the event of the programs with the potential to achieve the goals and effects of gender equality, prioritize them in the budgeting.
