時間：2020.11.25(三)

Time: Nov. 25th, 2020

地點：台北花園大酒店

Venue: Taipei Garden Hotel

2020 年為國際性別平等推動之關鍵里程碑，適逢聯合國永續發展目標 5 週年，亦是北京宣言暨行動綱領(BPfA)提出性別主流化的 25 週年；在臺灣，性別平等被視為基本人權與價值，經過數十年來的努力，近年在女性參與公共事務、性別暴力防治及促進多元性別(LGBTI)族群權益保障等方向，皆有亮眼的表現，藉由本次活動期將性別平權之理念與國際接軌，並深耕於各級政府部門與民間社群。

2020 symbolized the pivotal milestone in the promotion of gender equality. It represents the 5th anniversary of the United Nations (UN) Sustainable Development Goals (SDGs) and the 25th anniversary of the Beijing Declaration and Platform for Action (BPfA) introducing “Gender Mainstreaming”. After decades of efforts, gender equality has been regarded as basic human rights values in Taiwan and made progress in many aspects, especially among women’s participation in public affairs, gender-based violence prevention, and promotion of rights of LGBTI.
